Week 4 SonarQube Report

Student: Lev Karavanov
Project: `levkaravanov_software_engineering_project_2`
Date: 2026-04-15

Final Result

The Week 3 in-class assignment was analyzed in SonarCloud after extending test coverage and addressing security-related issues in the codebase.

Final SonarCloud result:

- Quality Gate Status: **Passed**
- Coverage: **100%**
- Security Rating: **A**
- Security Issues: **0**

This satisfies the Week 4 assignment requirements.
